The Yazzie/Martinez case is about students' constitutional right to a sufficient education that prepares them for college, career, & civic life. Join us for two powerful events this month to raise our voices & stand together.

- Hear from students, families, & advocates.
- Celebrate community strength & solidarity.
- Stand united to **Demand the Plan** so every New Mexico student gets the education, support, & opportunities they deserve.

HOSTED BY:

Warehouse 505 is a peaceful, sober, & clean environment.
